One-stop recording

Here we want to showcase our frequent Phoenix flyers who can often be found in the Studio doing their thing.

From as far away as London they come. Bimal L Shrestha for example, who recently visited Phoenix to complete his debut album.

Bimal took advantage of our *new artist package* where he was able to get everything he needed done in one-stop!

Our *new artist package* includes recording, mixing & mastering, and CD label design, plus website and options for mp3 & video.

New and upcoming

New and upcoming artists is what Phoenix is all about really. We encourage the experimentation with new sounds for the Nepali market and love u alternatives who are stepping out of the box.

One such band that fits that description is Alt-F4, this year's 3rd place winner of the Sprite Band Challenge that everyone in Nepal watched on the tube. this new band is made up of our very own studio musicians. Congrats!

MP3 Samples

- Ladai
- Graham Jungle
- Sneha

In-House

As mentioned, we have award-winning studio musicians ready to help you with any musical project or tricky arrangement.

Take for example Samir Rai from Alt-F4 on bass, or our resident composer and guitarist Sumner Sanzip Rai. We are here for u.

MP3 Samples
